3. Government are pleased to make the following amendment to Clause 5b and Clause 10 in the Prospectus for Admission to MCA Regular Course 2020-21 and also to grant permission to Director, LBS Centre to give a chance to more candidates to apply for admission, in its wake.

Clause 5 b

Academic Eligibility

Candidates should have passed BCA/Bachelor Degree in Computer Science Engineering or equivalent Degree.

OR

Passed B.Sc./B.Com/BA with Mathematics at 10 + 2 level or Mathematical Sciences(Mathematics, Computer Science, Statistics, Operations Research or subjects coming under these four subjects) at Graduation level (With additional bridge courses as per the norms of the concerned University). Since it is not practicable to conduct bridge course for this year, these students will have to acquire proficiency through an "Online MOOC Course" [Massive Open Online Course] as per the norms of Kerala Technological University. Candidates should have obtained at least 50 % marks in the Degree examination, or 45 % in the case of candidates belonging to reserved category. No rounding off of percentage of marks to the nearest higher integer is permitted.

Note: (1) Candidates seeking admission to the course should be qualified from any of the Universities in Kerala or any other Universities, recognized by any of the Universities in Kerala.

(2) All the candidates seeking admission to the course have to upload the Final/Consolidated mark lists/grade cards along with grade point to percentage conversion details on or before 31st August 2020.

Clause 10

The Rank List will be published based on the index marks secured in the qualifying examination. The index mark shall consist of two components:

- i) Qualifying examination (Degree Examination) component will carry a weightage of 75% (i.e 75% of percentage of aggregate marks obtained)
- ii) Additional Requirement component will carry a weightage of 25%.

- a) If the candidate has studied Mathematics in 10+2 level, 25% of marks obtained in Mathematics will be taken.
- b) If the candidate has not studied Mathematics at 10+2 level, but has studied Mathematical Sciences (Mathematics/Statistics/Computer Science/Operation Research or subjects coming under these four subjects) at Degree level, 25% of marks obtained in the subject concerned will be taken. If the candidate has studied more than one subject, the highest marks obtained will be taken.
- c) For Double/Triple main degree course, if a single score is not available, average marks/grades of all the main subjects will be taken.
- d) For integrated courses aggregate up to the 3rd year will be considered.
- e) If there is a tie in the index mark obtained by the candidate, the degree component

will be taken to resolve the tie. If the tie still persists, the standard procedure of tie breaker like Date of Birth will be followed.

Note:- 1) In the case of additional requirement, subjects coming under the categories of Mathematics/Statistics/Computer Science/Operation Research will be considered. If the candidate has studied more than one subject, the highest marks obtained will be taken.

2) Index Mark will be rounded up to three decimal places.

The criteria is depicted in the Table below:
